EVI Divisions:

GLASS FINISHES

EVI Glass Paint is an Acrylic top finish endowed with very good adherence, hardness and antiscratch properties as well as yellowing resistance. It is indicated to varnish all kinds of glass. It comes in 2 grades, the water based and the solvent based glass range. EVI became in a very short time one of the leading Glass paint dealer in the region.

DECORATIVE FINISHES

Ahead of its rivals, EVI is now completing the establishment and extension of the wide decorative range of products, followed by a professional and experienced distributors network which includes more than 50 showrooms operating in many cities and remote areas in the GCC, Europe & Africa.

POWDER COATINGS

In Mid 2011, EVI decided to launch A NEW PRODUCTION TION LINE through its plant erected in Lebanon, The Powder Coating venture is a standing evidence to support the extreme faith in surging forward through sustained development and environment.

CONSTRUCTION CHEMICALS

EVI is proud to present the new addition to its range of products by launching the family for the new range of construction chemicals materials. EVI became in a very short time one of the leading construction chemicals companies in the GCC.

INDUSTRIAL FINISHES

EVI's Industrial coating range retains its hard earned reputation as a major supplier of Industrial coating finishes to the petrochemical and downstream industries in the GCC, Asia & Africa. Recently, EVI decided to expand its range of products by introducing the first Industrial Coating line of products in the coveted areas including Epoxies, Polyurethanes, Solvent free, recognized as having the highest possible degree in the protection of steel, concrete and other critical elements of infrastructure.

WOOD FINISHES

A wide range of products including all coatings applied on wood is divided as follows: Stains, Fillers and preservatives for wood, Nitrocellulose based products, Polyurethane based products, Acrylic based products, Polyester based products, Ultraviolet based products, Precatalysed products, Outdoor products, Auxiliary products etc. EVI wood finishes will provide the ultimate protection when applied on different wood surfaces.

CAR FINISHES

EVI is so delighted to present the latest addition to its range of goods by initiating the car paints family that covers the whole painting system for Auto, starting by putty for cars, the binder and the base coat as well as the topcoat clear and pigmented. EVI car paint family present a luxurious high ending range based on superior acrylic resin and particular additive that work together in order to stabilize the color and maintain a hard and strong film.
